

Central Rivers AEA Work-Based Learning Coordinator Responsibilities:

- Develop immersive learning experiences that foster independence, guide career choices, build vocational skills, and pave the way for postsecondary success.
- Develop student interns' employment skills through targeted curriculum and instruction.
- Assess and document interns' growth in technical skills relevant to internship objectives.
- Maintain regular contact with student interns, school personnel, and employers.
- Observe and provide feedback and coaching to the student intern while on the job site.
- Collaborate with the internship job site supervisor to customize a safe, high-quality internship experience.
