

Comprehensive Equity Complaint Procedure

Students, parents of students, applicants for employment, and employees of Central Rivers AEA shall have the right to file a formal complaint alleging noncompliance with federal and state regulations requiring nondiscrimination in educational programs and employment. As a parent, you also have the right to a hearing before an impartial hearing officer if you disagree with your child's evaluation or placement. You have a right to counsel at the hearing and have the decision of the impartial hearing officer reviewed.

Level One – Principal or Immediate Supervisor

Employees with a complaint of discrimination on the basis of race, color, creed, gender, marital status, national origin, religion, age, sexual orientation, gender identity, socio economic background or disability may first discuss it with their principal or immediate supervisor, with the objective of resolving the matter informally. A student, parent or an applicant for employment with a complaint of discrimination on the basis of race, color, creed, gender, marital status, national origin, religion, age, sexual orientation, gender identity, socio economic background or disability may discuss it with the instructor, counselor, supervisor or building administrator, program administrator, or personnel contact person involved. If the problem remains unresolved, the complainant shall discuss the issue with a Compliance Officer before proceeding to the next level.

Level Two – Equity Coordinator

If the complaint is not resolved at level one and the complainants wish to pursue the complaint, they may formalize it by filing a complaint in writing on a Compliance Violation form, which may be obtained from the Equity Coordinator. The complaint shall state the nature of the complaint and the remedy requested and be filed with the Equity Coordinator. The filing of the formal, written complaint at level two must be within fifteen (15) working days from the date of the event giving rise to the complaint or from the date the complainants could reasonably become aware of such occurrence. The complainants may request that a meeting concerning the complaint be held with the Equity Coordinator. A minor student may be accompanied at that meeting by a parent or guardian. The Equity Coordinator shall investigate the complaint and attempt to resolve it. A written report from the Equity Coordinator regarding action taken will be sent within fifteen (15) working days after receipt of the complaint.

Level Three – Chief Administrator

If the complaint is not resolved at level two, the complainants may process it to level three by presenting a written appeal to the Chief Administrator within ten (10) working days after the complainants receive the report from the Equity Coordinator. The complainants may request a meeting with the Chief Administrator or designee. The Chief Administrator or designee has the option of meeting with the complainant to discuss the appeal. A decision will be rendered by the Chief Administrator or designee within ten (10) working days after receipt of the written appeal.

This procedure in no way denies the right of the complainants to file formal complaints with the Iowa City Rights Commission, the Federal Office of Civil Rights or other agencies available for mediation or rectification of civil rights complaints, or to seek private counsel for complaints alleging discrimination.
